Sir:
The attention of the Patent and Trademark Office is hereby directed to the documents listed on the attached Form PTO-1449. The documents cited in parent Application No. 09/294,143, filed April 20, 1999, now U.S. Patent No. 6,242,009. In accordance with M.P.E.P. § 609, it is not necessary to provide copies of those documents with this filing. However, six (6) new references have been cited and are attached.
This Information Disclosure Statement is being submitted after the expiration of the three month period following filing of the above-captioned application but prior to issuance of a first official action on the merits.
The above information is presented so that the Patent and Trademark Office can, in the first instance, determine any materiality thereof to the claimed invention. See 37 CFR §§ 1.104(a) and 1.106(b) concerning the PTO duty to consider and use any such information. It is respectfully requested that the information be expressly considered during the prosecution of this application, and that the documents cited in the attached Form PTO-1449 be made of record therein and appear on the first page of any patent to issue therefrom.

Date: August 6, 2001 Label No. EL856453817US

I hereby certify that, on the date indicated above, I deposited this paper with identified attachments and/or fee with the U.S. Postal Service and that it was addressed for delivery to the Assistant Commissioner for Patents, Washington, DC 20231 by "Express Mail Post Office to Addressee" service.

Information Disclosure Statement
U.S. Application No. 09/761,561

This submission does not represent that a search has been made or that no better art exists and does not constitute an admission that each or all of the listed documents are material or constitute "prior art." If the Examiner applies any of the documents as prior art against any claim in this application and applicants determine that the cited documents do not constitute "prior art" under United States law, applicants reserve the right to present to the Office the relevant facts and law regarding the appropriate status of such documents.

Applicant further reserves the right to take appropriate action to establish the patentability of the disclosed invention over the listed documents, should one or more of the documents be applied against the claims of the present application.

It is believed that no fee is required to make this a complete and timely filing. However, if it is determined that a petition or fee is required, the Commissioner is hereby authorized to charge any fee associated with this statement to our Deposit Account No. 50-0925 and please consider this a petition.

Respectfully submitted,
